

2008 THUNDER ON THE BAY POKER RUN

JUNE 6-7, 2008

Welcome to the re-innaugural running of the THUNDER ON THE BAY Poker Run – We're back after a 5 year hiatus and better then ever!

Fun is the order of the day, but safety is the key to a great Poker Run. You will find our rules on an attached page and they are for your safety, the safety of the other participants and the safety of your crew. Adhere to them to insure a safe and fun day on the water, break them and your day with us will be short.

THUNDER ON THE BAY POKER RUN ENFORCES A ZERO TOLERANCE POLICY FOR ALCOHOL CONSUMPTION DURING THE RUN OR AT LUNCH BY THE CAPTAIN OR CREW. If you are found to be drinking alcohol at breakfast, during the run or at lunch, your sticker will be removed, you will be disqualified and ejected from the run. You are out – no refunds, no dinner and your card hands are forfeited – no exceptions will be made.

THUNDER ON THE BAY Poker Run adheres to the Poker Run 10 Commandments.

They are:

- 1. Absolutely no alcoholic beverages until the Poker Run is OVER.**
- 2. All participating poker run boat occupants must wear PFD's**
- 3. Driver must wear ignition safety switch lanyard(s) while the boat is underway**
- 4. No sitting on top of the seats or on sunpads when the boat is on plane**
- 5. Break starts up into groups based on speed**
- 6. Medical/rescue personnel monitoring channel 68**
- 7. No passing the pace boat**
- 8. Minimum separation of 100' fore-and-aft and 50' side-to-side between boats when on plane**
- 9. Written instructions/charts handed out by organizer with appropriate speed limit and safety notations.**
- 10. Strict speed limits in congested areas.**

Please find the schedule and rules below.

We will be starting the Poker Run in four waves – each wave is limited to 25 boats and our Dock Master will be waving boats out into the staging area. We are not breaking up the field based on speed as we've done in past years. If you want to wait for a friend in a later wave, pull off to the left of the staging area and the dock master will take 'waiting' boats into account when filling out a 'wave'

A pace boat will be leading each wave out of Red Eye's south under the bridge through the no wake zone.

If you pass the pace boat you will be immediately disqualified from THUNDER ON THE BAY.

The first wave will depart at 10:15 with subsequent waves starting at 10 minute intervals.

Anyone caught operating their boat recklessly; cutting other boats off, disobeying no-wake zones, putting others at risk or disobeying minimum separation rules will be immediately removed from the run.

Make no mistake about our resolve when it comes to operating a safe event. If you break our rules – you're gone.

Please remember that the start of the Poker Run is always the most challenging time as numerous boats come up on plane and establish a lane for running. Please be very cautious at this time.

A chart of the course along with GPS Positions for all card stops is included in your registration package.

Please insure that you or your passengers raise a hand over your head when coming off plane to let following boats know of your decrease in speed. This is vital, but do so in a safe manner.

We will be rafting up at the Anchor Marina or Great Oak Landing. Please insure your bumpers are inflated properly and to lash boats together tightly. The key to proper rafting is to have all the boats lashed together tightly and move as one.

Be respectful of other's boats and remove your shoes when walking across someone's bow or cushions.

All participants are required to wear PFDs at all times when on the water. In addition, captains must wear safety lanyards to their engine kill switches when running.

Safety and Fun are our Number One Priorities!
